Thirty TORRANCE HERALD OCTOBER 8, 1959

## Three Local Teams Face First Foes

Prep gridgers will start playing for keeps this week end as the city's three high school teams take on their first league foes in the opening games of the Bay and Pioneer Leagues.

North High, co-champions of the Pioneer League last year, will take the field against Morningside Friday night here as Coach Bob Shoup seeks to repeat his performance in the Bay League, dominated, as usual, by the powerful Santa Monica Vikings.

In other Bay League tilts, the Redondo Seahawks will meet Santa Monica; Leuzinger will be at Mira Costa; and Inglewood will be at Hawthorne.

Pioneer League action will get under way with South High playing at Culver City at 3 p.m. tomorrow, and the Torrance High Tartars traveling to Lennox for a game under the arcs at 8. Beverly Hills will be at El Segundo.

The Tartars have been installed as a preseason contender for honors in the revamped Pioneer loop.

headed by fullback Glen Kezar, halfback Ron Goodrich, and QB Dave Long. Kezar leads the Warriors in the scoring department with 13 and Goodrich is nudging him with 12.

COACH Norm Verry's squad scored a close 28-23 win over Modesto last week and should be in tip-top shape for the Vikings come Saturday.

## Metro Gridgers to Open League Season

Metropolitan Conference gridgers will take a good look at each other this week end as the 1959 regular league season gets under way. Four big Metro games are scheduled for Friday and Saturday with all games under the lights.

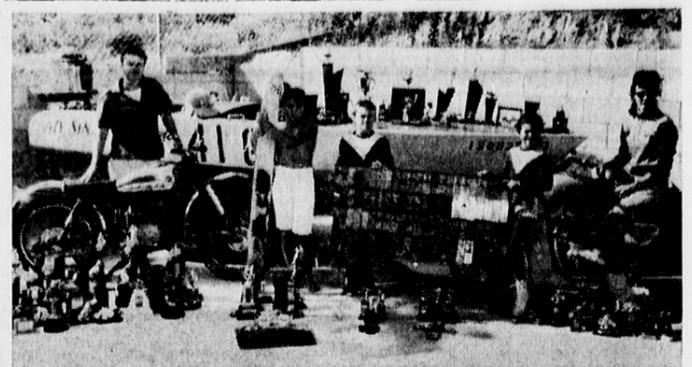

Santa Monica City College, 1958 conference champions and Junior Rose Bowl winner, travels to East Los Angeles College Friday night for their season opener.

THE SANTA MONICA squad has taken up where they left off last year and now sports a 14-game winning streak. Coach Jim Powers has a host of talent headed by halfback George Hughley, quarterback Frank Miyoshi, and end Wiener Willholte.

Hughley has scored six touchdowns in two games this year to top the Santa Monica scorers.

SATURDAY NIGHT games pair off Harbor at Bakersfield, Long Beach at El Camino, and Valley at San Diego.

El Camino will take a 2-0 record into their Long Beach game at the local stadium Saturday. The Warriors also will have a better than average offense going for them, spear-

RACING FAMILY... The Harkers, of 4831 Sharynne Ln., are pictured with their motorcycles, speed boat and trophies. Father, mother, two sons and daughter all compete in race events. From left: Curly, motorcycle and speed boat; Mike, water skiing; Kelly, roller skating; Casey, roller skating and Patti, motorcycle. (Herald Photo)

## Torrance Racing Family Win Record Number of Trophies

By BOB WILTON  
Herald Staff Writer

The racing family in Torrance is also the trophy winningest family in the All-American City. And if they keep on bringing home the "bacon" they will have to build an addition on their home at 4831 Sharynne Lane. The family is the five Harkers and here is the line-up:

Dad — Curly Larker, who has been racing motorcycles and speed boats for the past 10 years and has gathered in 30 motorcycle trophies and 15 cups for tooling his 14 ft. 7 in. runabout over Southern California courses. Curly, a machinist at the Douglas-Torrance

plant, designed his own boat and gave up professional cycle racing years ago when he found out that amateur competition was more fun than racing for money.

KELLY, 9, roller skates and has earned three trophies in Southland rink skating.

Casey, is also a roller skater and the young miss has garnered six trophies and four medals in competition.

The young members of the Harker family all attend Seaside school and are in the seventh, fourth, and second grades respectively. Besides their trophy and medal winning they have 88 ribbons in their collection.

The Harkers all believe that the most important thing right

now is to win more sports events while they are able and although the living room in their house is overflowing with trophies they are probably planning to win more while this story is being written.

## Big Bear Lake Crappie to Go With Chemicals

Chemical treatment of Big Bear Lake to control unwanted populations of gold fish and small crappie has been tentatively scheduled for Monday, reports the Department of Fish and Game.

The date is tentative because the chemical to be used for the treatment is enroute from the East coast and any delay in its arrival would force postponement of the Big Bear project.

Following the fish-killing treatment, Big Bear will be heavily stocked with catchable size and fingerling rainbow trout in a program similar to that which produced such phenomenal fishing at the lake in 1957 and 1958.

FEW, IF ANY trout remain in Big Bear now, notes the DFG, following a brief summer dieoff caused by excessively warm water, heavy algae growth, a lack of dissolved oxygen in the water, and the effects of a warmwater fish parasite that prospered under these conditions.

The DGF hopes that by destroying most of the fish on which the parasite depends as a host, the parasite itself can be controlled.

Big Bear Lake now contains some 12,000 acre-feet of water and the treatment will require approximately \$16,000 worth of chemicals. Of this amount, \$8,000 is being supplied by the Big Bear Pest Abatement District while \$4,000 each is being supplied by the Department of Fish and Game and the County of San Bernardino, using fish and game fine money.

## George Cole Set to Head National LL

George Cole has been elected president of the Torrance National Little League to succeed Dean Stewart, it was reported after a league meeting last week at the Torrance Elementary School auditorium.

Elected to serve with Cole were Don Cook, vice president; Dick Oliver, treasurer; Doreen Weir, secretary; Ralph Schafer, players' agent; Curtis Anderson, equipment manager; Mike Quadrato, minor league representative; Dave Huggins and Edward Fox, field construction; Dean Stewart, Torrance youth council representative; and W. J. Nesenson, publicity director.

A hearty vote of thanks was accorded Stewart as outgoing president and to the officers for "a most successful season." Another meeting will be called soon to continue discussions of the 1960 season, it was decided by the new executive board.

## George Cole Set to Head National LL

The Torrance High Tartars squeaked through with a 13-12 win over the strong Inglewood Sentinels at the Inglewood field Saturday night to build up its preseason rating among teams in the new Pioneer League lineup which kicks off tomorrow night.

The Tartars outlived the clock to take the thriller as the Sentinels were on the 10-yard line with a scoring threat when the game ended.

One 80-yard touchdown run was called back when the Tartar backfield was charged with illegal procedure.

Torrance opened the season by beating the Seahawks, 12-6.

### Knights Meet Lancers

The Bishop Montgomery Knights, who were edged 13-6 by the Palo Verde team in Blythe last week end, will play their first home game against the Bishop Amat Lancers here this week.

### THE Kreisler Clinic

hair and scalp specialists

of Redondo Beach, Calif.

Brings "Guaranteed in Writing" results for the countless thousands suffering from . . .

- BALDNESS
- DANDRUFF
- FALLING HAIR
- DRY SCALP
- PREMATURE HAIR LOSS

Mr. P. T. — A Torrance technician says: "I was losing hair by the handful; not only has the hairfall stopped, but new growth has shown up that makes both me and the Mrs. very happy."

HOPE FOR BALDING PEOPLE

Today men and women have new hope with KREISLER'S exclusive Formulas. This, week, under-nourished hair can be made strong and healthy, grow beautifully and last a lifetime. There is no charge for Kreisler's microscopic analysis of your hair and scalp. You may enjoy the benefits of the Kreisler treatment for as little as \$4 weekly, or you may pay as you go and results are guaranteed in writing. No appointment is necessary. REMEMBER, that the decision that you make today depends on your head of hair in the future.

Located 1 1/2 blocks West of the Plush Horse Restaurant in the Hollywood Riviera section of Redondo Beach, Suites H-J of the Riviera Professional Bldg., 1870 So. Elton.

Phone FR. 5-2040

A courteous receptionist will make an appointment for you if you wish.

Mr. W. B. — A South Bay school teacher, says: "I've got to tell the truth — my hair and scalp not only looks and feels 100% better, but I have visible proof that Kreisler is doing for me what they said they would — and more!"
